## **Group Discussion Questions**

*Delta Groups are encouraged to utilize the following five questions to help guide a time of listening and sharing during weekly Delta Group meetings. Additionally, we ask that each group to agree upon a measure of confidentiality to create a safe space for all.*

- 1. What is the state of your soul?**
- 2. How have you sensed God's presence in your life during this past week?**
- 3. What worries, struggles, or other issues are you currently facing?**
- 4. What is God teaching you?**
- 5. How are you responding to God's prompting?**
